Business and Executive Coach

Securing Sustainable Success Strategies

www.peterblackcoaching.com

Peter Black is a Chartered Accountant and an experienced Business and Executive Coach who assists in achieving business, career, organizational and life goals, particularly with clients in the financial services, information technology and professional services sectors.

Peter is also a Certified Retirement Coach, specialising in the transition of individuals from business and/or employment into the Third Phase of life, and is a specialist presenter for The Institute of Chartered Accountants in Australia on this topic.

Prior to becoming a Business and Executive Coach, Peter was employed by PricewaterhouseCoopers/Price Waterhouse from 1980 to 2005 in various auditing, corporate taxation and practice management roles in the Perth, Parramatta, Sydney and National offices in Australia. He had significant involvement in the change management and integration aspects after the merger of Coopers & Lybrand and Price Waterhouse and subsequently the integration of the PwC Legal into the wider PwC partnership. His most recent role at PricewaterhouseCoopers was National Operations Director responsible for various shared service functions and strategic advice to the partnership.

From 2007-2011, Peter consulted to global career transition company DBM Australia Limited assisting hundreds of individuals, particularly senior executives, to undertake career transition programs following retrenchment from major organizations and coaching and onboarding programs to improve individual and organizational effectiveness.

In addition to undertaking business and executive coaching, Peter:

- also consults to and facilitates for various accounting, engineering, information technology and legal professional services firms on strategic practice and change management issues
- is a Chair of a Roundtable group of CEO's of SMEs for coaching and mentoring organization The Executive Connection (TEC), an affiliate of Vistage International.
- is a preferred Career and Executive Coach to the members in NSW of the Australian Computer Society
- is also very active in the social media arena.

Peter's qualifications and accreditations include:

- Bachelor of Commerce
